## A Characteristic Kann Event—Thousands of Choice Garments at the Lowest Prices of the Season

KANN'S UNDERMUSLIN SALES have made such wonderful records of value that it is hard to believe any sale can be better than those that have gone before. Yet we ask you to believe that this semi-annual event is better.

- that it offers values you could not equal anywhere else in this vicinity;
- that it offers bountiful stocks which are exactly the kinds of muslin underwear women want;
- that you will find things so arranged as to assure you prompt, pleasant, satisfactory services when you come tomorrow.

The facts we wish especially to emphasize are that these low prices are for GOOD undermuslins; that it is not a sale of remainders, but a sale of COMPREHENSIVE stocks of our kind of muslin wear; that every piece was SELECTED BY A WOMAN who understands what women want; that the SAVINGS are GENUINE in every case.
